Notes:

Person note: James "Ed" Mattivi advised that many family members lived at his father's house over the years, including James Girotti, James Sandretto, Ben Mattivi, and others. They often stayed for various periods and left.

According to James "Ed" Mattivi and James "Bud" Mattivi, Jim and Ben operated an "alky wagon" for the Capone Outfit from Chicago to Kansas City.

James "Ed" Mattivi also reported that Jim left for Chicago as a teenager and spent an unknown period in Chicago working for the Capone Outfit. He returned to Missouri and purchased his place in Breen Acres with the illgotten gain. It was said that he returned decked out in a "gangster" outfit.
